

ELECTRONIC SUBMISSION OF PROPOSED ORDERS

Pursuant to Local Rule 5-137(b): When a proposed order is electronically submitted to the Court, the person proposing the order must submit it via ECF thereby effecting service on all other parties. Except in situations in which a proposed order is contained in a stipulation, electronically submitted proposed orders may not be combined into a motion or request. **In addition to electronically filing the proposed order in .pdf format, the proposing person must also submit by e-mail a separate proposed order in word processing format compatible with Word Perfect to the appropriate Judge or Magistrate Judge's e-mail account listed below. The e-mail subject line must contain the words "proposed order" as well as the case number.**

NOTE: In all cases involving submission of a proposed order, simply emailing the word processing document to the Court's order mailbox does **not** constitute the proper submission of that proposed order with the Court. Conversely, simply submitting a .pdf version of the proposed order via CM/ECF does **not** constitute proper submission of the proposed order. **Both** the submission of the .pdf version and the submission via email to the mailbox of the assigned Judge or Magistrate Judge must be accomplished.
